

**Narbrook Park  
Project Supply List  
4 February 2016**

**Erosion Control Materials**

**Coconut Fiber Blankets**

Manufactured by; EASTCOAST Erosion Blankets

<http://www.eastcoasterosion.com>

Available from: Pinelands Nursery & Supply

323 Island Road Columbus, NJ 08022

609-291-9486

[sales@pinelandsnursery.com](mailto:sales@pinelandsnursery.com)

<http://www.pinelandsnursery.com>

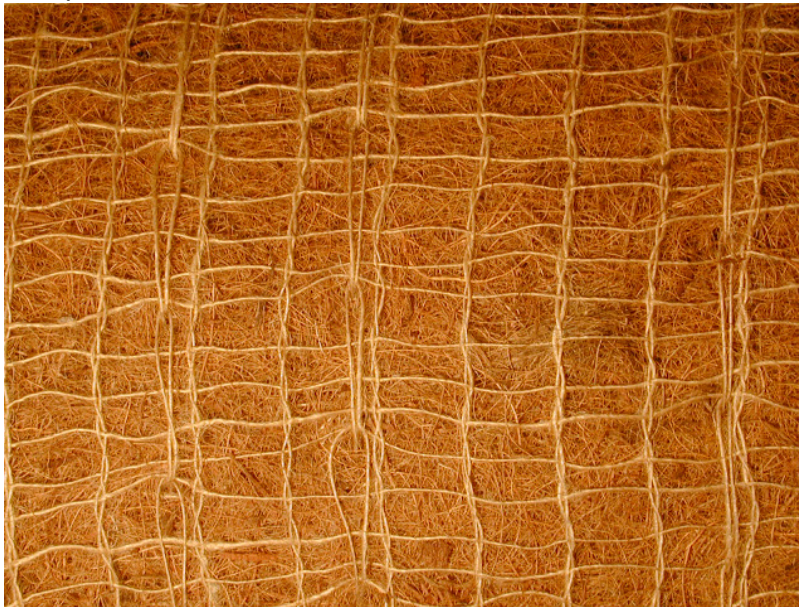

EC/C2-B (Coir Bio-Net)- spec sheet attached

ECC-2B Double Net Coconut Biodegradable Rolled Erosion Control Product

(for use with live stakes but not with container plants- cutting through would compromise the strength of blanket)

7.5' x 120' (100 Sq Yds)

cost per roll = \$117

EC/C2 Coir blanket with photodegradable netting- spec sheet attached

(for use with live stakes, plugs or container plants)

7.5' x 120' (100 Sq Yds)

rolls, cost per roll = \$117

**Coir Mat 900**

For use with plugs, and containerized plants

7.5' x 120' (100 Sq Yds)

cost per roll = \$117

**6" Staples**

11 gauge, uncoated wire, for use with blankets

1000/ box = \$37

Available from: Pinelands Nursery & Supply

### **Coir Log**

Industry standard, coconut fiber tubes – spec sheet attached (doubles in weight if wet)

12" x 12' Standard Log (add lbs?)

cost per log = \$79

16" x 12' Standard Log

logs, cost per log = \$133

Available from; Pinelands Nursery & Supply

(Note: small and medium logs shown are the “standard” recommended for this project use, the largest is the “premium” which is not recommended for this use.)

### **6" Staples**

11 gauge, uncoated wire, for use with blankets

1000/ box = \$37

### **Wood Stakes**

2" x 2" x 36" = \$2

Available from; Pinelands Nursery & Supply

## Boulders

(I'm looking into next larger size range as well)

Langhorne boulders

Approx. 1' x 2' , angular, cool gray- orange/rusty

1 pallet = \$260

Cobble rounds

Approx. 1' x 2' , rounded, warm gray -purple

1 pallet= \$240

(Locally sourced stone from nearby vendor- Delaware Co Delivery = \$85)

Available from; Galantino Supply Company

725 Old Marple Road

Springfield, PA, 19064

610-544-2586

[vincegalantino@gmail.com](mailto:vincegalantino@gmail.com)

<http://galantino.com>

**Stone**

#4 Clean Stone (must be clean stone, dust will add to sediment)

1 ½" – 3 ½"

by bulk or bag

Available from: Galantino Supply Company

**Soil**

TBD

Available from: Laurel Valley Soils

P.O. Box 640

Avondale, PA 19311

610-268-5555

## Plants

(all native plants)

### Live Stakes

Available from: Ernst Seeds

8884 Mercer Pike

Meadville, PA 16335

800-873-3321

[sales@ernstseed.com](mailto:sales@ernstseed.com)

<http://www.ernstseed.com>

### *Cornus sericea*, Red Osier Dogwood

(only plant available from Ernst as live stakes that could work for our use. It gets big if not cut back every other year, so will need maintenance. )

Grows to 6' -10' tall and wide (but can be treated as cut back shrub.

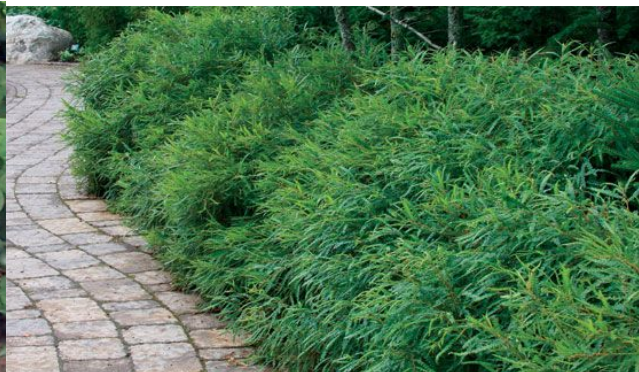

### Containerized plants

Available from: Pinelands Nursery & Supply

Shrubs:

### *Comptonia peregrina*, Sweet Fern

Low shrub 2-4' , fern-like foliage, upland

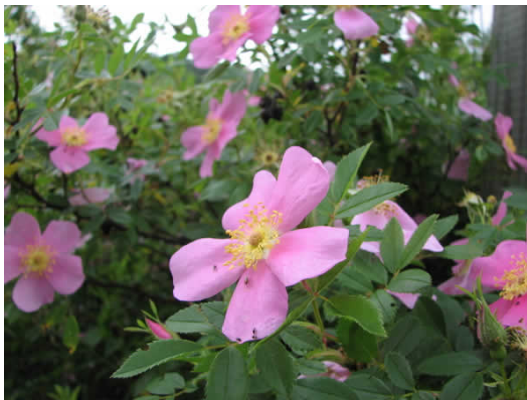

***Rhus aromatica***, Fragrant Sumac

Arching, spreading shrub to 4' tall , 5' wide, great fall color, upland

***Rosa palustris***, Swamp Rose

Arching, spreading shrub native rose, very fragrant, rose hips, wetland plant, source for native pollinators and birds, (but has lots of thorns)

Grasses/Perennials:

***Schizachyrium scoparium***, Little Bluestem

Clump forming up-right ornamental grass, approx. 2-3' tall , FACU-

***Carex vulpinoidea*, Fox Sedge**

Clump forming sedge, full sun to shade, grows in moist to very wet soil.

***Eupatorium maculatum*, Spotted Joe-Pye**

Tall upright perennial, wet meadow, 4-6'

***Iris versicolor*, Blueflag Iris**

Native iris, wetland plant, 2-3'

***Liatris spicata***, Blazing Star  
Tall slender wetland plant, to 4'

***Onoclea sensibilis***, Sensitive Fern  
Rhizomatous fern, to 2' tall, wet meadow
